YOUTH PROGRAM

SERIES #3

Mondays, 4:15-6:15 p.m.
Feb. 5 – March 18
Harvey Education Center

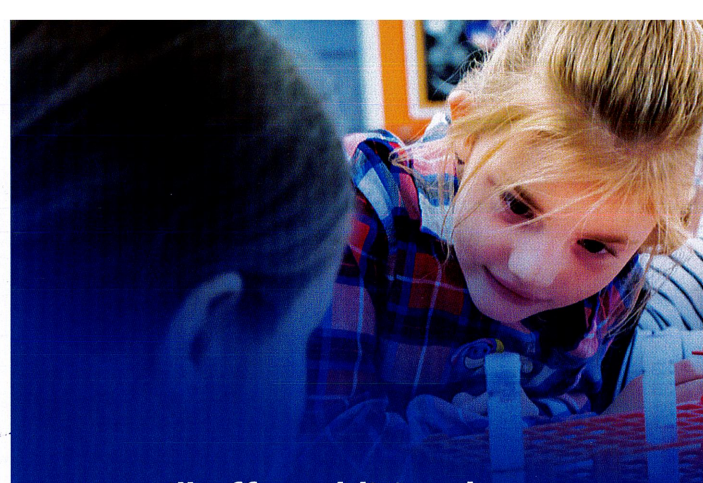

.....

Cooking Wizards Grades: 2-3

Cooking is magical but you don't have to be a grown up to learn how to cook! Unlock your wizard ways and watch the magic unfold by making real food to share with your family. Learn how to read recipes, mix and measure, and do fun food experiments. Join us for this tasty adventure and unlock the magic of cooking..

Advanced Science Experiments Club Grades: 4-5

Join the fun in Miss Carol's after school science club that is packed with cool chemistry experiments! Each day there will be experiments like copper plating an iron nail, acid digestion, acid-base reactions and a Live Time! featuring different Michigan animals.

We will offer additional classes in the spring of 2024.

Series #4: April – May

.....

For scholarship information, please contact the LCC Youth Program Office at 517-483-1415.

Scholarship applications and upcoming class information can be found at lcc.edu/seriousfun.

Transportation

Transportation is available to registered students from their elementary school to the Harvey Education Center. **Parents/guardians must submit a Transportation Request Form to their child's school if they desire bus transportation to the afterschool class for their child. A link to the form will be made available when you register for the class.** Transportation requests are subject to school approval. Parents/guardians are responsible for picking up their child from their class at the appropriate time and location.

***NO REFUNDS for cancelled/missed classes due to COVID. Mason Public Schools mask policy will be enforced and is subject to change without prior notice. Thank you for your cooperation.**
