

occurrence format. This insurance shall pay or defend all established claims, regardless of the date on which the claim is insured. Comply with all state regulations regarding insurance. Additionally, the chosen Abatement Contractor shall possess and maintain at least five million dollars in environmental pollution liability insurance. The requirements for additional insured are listed in the General Conditions and must be met by the Abatement Contractor before work can proceed.

7. **Additional Information:** Bidders may propose features and items above and beyond the requirements set forth in the bidding documents. The Owner does not intend to limit the contents of a bid. Additional information deemed pertinent by the bidder may be attached. The Owner, however, reserves the right to exclude such information from consideration in evaluating the bids. The Owner also reserves the right to require the submittal of additional financial, technical, or other information. Such a request shall not be construed to indicate the bidder's standing in the evaluation of the bids.
8. **Citation and Litigation History:** Provide a list of citations and litigation history for the past 5 years. Include a synopsis of the original citation monetary amount and the negotiated settlement. Provide information on currently pending litigation or citation(s).
9. **Evaluation of Bids:** Bids may be rejected if incomplete or irregular based on the requirements of the specification or if the bid exceeds the funds available. The Owner further reserves the right to reject bids on the basis of the bidder or its subcontractor's integrity in business and professional matters, skill and ability in the safe completion of the work, schedule, the likelihood of completion of satisfactory work, and promptness. Past experience may be considered in the evaluation of the bids.
10. **Schedule:** Provide a draft schedule
