Row #	Mtg Date	Request/Clarification/Additional Info needed:	Date addressed	Topic suggestions for future meetings:	Date addressed
42	9/27/2016	More discussion/info from admin/prtn/teachers (!) about pros/cons to move K (or K-1?) to HEC. What is benefit but what do we not get any longer - like upper grades helping younger students. How many days would that be lost if upper can't help any longer.		Do we want vote in May or another month? Would like to get that timeline.	
43	9/27/2016			I'd like to spend some time reviewing the details of the post-election survey. Some of our discussion is being influenced by assumptions about what the community will support. We should make sure we all understand what feedback we actually received. I'd be happy to prep and present that.
