Row #	Mtg Date	Request/Clarification/Additional Info needed:	Date addressed	Topic suggestions for future meetings:	Date addressed
24	8/24/2016	Do all elem schools basically have 2 classrooms per grade?	9/8/2016	Factual #s that are Harvey Center for: Summer; School Year	9/8/2016
25	8/24/2016	Copy of all sinking fund expenditures for last 5 years - full account statement	9/8/2016		
26	8/24/2016	More detailed breakdown of sinking fund dollars for the last five years. Current info only goes three years and was very broad	9/8/2016		
27	8/24/2016	Goal/time frame	9/8/2016		
28	8/24/2016	November school board presentation?	9/8/2016		
29	8/24/2016	Time frame/timeline	9/8/2016		
30	8/24/2016	Possible public comment towards end of meeting?	10/25/2016		
31	8/24/2016	Breakdown of classroom sizes/#s at each elem with SOC # in each classroom. i.e.: Kind. At NA Class 1: 0 SOC 22 organic Class 2: 0 SOC 23 organic Class 3: etc. Class 4:	9/8/2016		
32	8/24/2016	I would like to see the latest "official" Stanfred enrollment projection report including an explanation of the various projections provided in the report and the rationale used by MPS in which projection is used for planning purposes. Ideally I would like to see the full report with all levels of projections.	8/30/2016		
33	9/8/2016	Could we support more GSRP & Head Start if we had more space?			
34	9/8/2016	What impacts will be made to current schools if we move 1 or more grades? Can we make a list of pros cons?			
35	9/8/2016	Want current enrollment numbers	9/16/2016		
36	9/8/2016	Still need more detail on sinking fund like to know what items were addressed by payments noted to vendors	9/16/2016		
37	9/8/2016	Cost diff between lease and buy buses	10/25/2016		
38	9/27/2016			Make pro/con list for the existing configuration options	
39	9/27/2016			Possibly re-survey the staff in regards to their opinions of best practice in considering a re-configuration	
40	9/27/2016	Can we get a clear picture of the cost to move K to HEC? Add a wing? Or move Admin and renovate? What is the cost? \$13.5 million? Can we clarify what that includes?	10/13/2016		
41	9/27/2016	General breakdown of \$13.5 million estimate for moving K to HEC - what generally is it to be spent on	10/13/2016		
42	9/27/2016	More discussion/info from admin/prtn/teachers (!) about pros/cons to move K (or K-1?) to HEC. What is benefit but what do we not get any longer - like upper grades helping younger students. How many days would that be lost if upper can't help any longer.	10/25/2016	Do we want vote in May or another month? Would like to get that timeline.	
43	9/27/2016			I'd like to spend some time reviewing the details of the post-election survey. Some of our discussion is being influenced by assumptions about what the community will support. We should make sure we all understand what feedback we actually received. I'd be happy to prep and present that.	10/13/2016
44	9/27/2016 (via email)	Amount of square footage of space administration and early learning uses	10/13/2016		

Row #	Mtg Date	Request/Clarification/Additional Info needed:	Date addressed	Topic suggestions for future meetings:	Date addressed
45	9/27/2016 (via email)	# of students in HEC at its peak use	10/13/2016		
46	9/27/2016 (via email)	What is the process as to what vendors are used particularly for sinking fund dollars?	10/25/2016		
47	10/13/2016 (via email)	From school staff - which config is preferred from an educator's perspective: K-1 at a separate bldg OR 4-5 at a separate bldg (with three 2-5 or K-3 bldgs, respectively). Pros/cons to managing, teaching, bussing, staffing, specials, curriculum, etc.	10/25/2016		
48	10/13/2016 (via email)	The land area and approximate dimensions for each elementary school site (including HEC)
