

Welcome to fifth grade! The start of a new year is just around the corner. Fifth grade is full of learning and fun, and I'm glad you will be a part of my classroom.

The list below includes some things you might like to have by the start of school. I have these supplies in the classroom to share, but some people prefer to have their own in their desks. I will also give out a planner, a homework folder, a writing notebook, a spiral notebook, and folders for writing, reading, and science. If you prefer to use your own decorative folders and/or add a math and social studies folder, that is fine. Being organized is the important part. One of my favorite mottos is: *Proper Preparation Prevents Poor Performance.*

Also remember, you will have a locker, but it's small. Don't get a huge backpack or one with wheels.

I always look forward to the start of a new school year. There are so many possibilities ahead, opportunities to enjoy, and new information to learn. Yes, even I still learn! ☺ We will learn and grow together! Enjoy the rest of your summer. I'm looking forward to meeting you soon.

Your fifth grade teacher,
