In-network health care benefits for you and your covered dependents

All services must be **medically necessary** and performed by a payable provider.

This is a brief summary of in-network benefits. If you obtain medical services from an out-of-network provider without a referral from an in-network provider, you may have to pay 100 percent of the cost or the applicable out-of-network cost share amounts. For complete coverage details, go to messa.org to log in to your member account or call the MESSA Member Service Center at 800.336.0013 or TTY 888.445.5614.
