ORS Scholarship Application - Empowering Future Healthcare Professionals:

Orthopaedic Rehab Specialists (ORS) is a locally owned Physical Therapy company dedicated to fostering community relationships and helping people return to working, playing, and living healthy lives. With over 37 years of experience, we provide rehabilitation, injury care and prevention, and education to empower our communities to live a healthy, active lifestyle.

To give back to the communities we serve, ORS is proud to offer scholarships to deserving students who aspire to pursue a career in healthcare and exemplify our core values (Connection-Accountability-Respect-Environment-Service). We are particularly interested in students who want to make a meaningful difference in people's lives, with strong consideration given to those pursuing careers in physical therapy, physical therapy assistant, occupational therapy, or athletic training.

Additional Benefits of the ORS Scholarship:

1. **Observation/Job Shadowing Opportunities:** Gain firsthand experience by observing healthcare professionals in action, allowing you to understand the day-to-day operations and patient care practices.
2. **Mentoring:** Benefit from one-on-one mentoring with seasoned experts who will guide you through your educational and professional journey.
3. **Potential Employment:** Stand out as a top candidate for potential employment opportunities within our ORS Clinics upon graduation.
4. **Ongoing Support:** As our scholarship program continues to grow, we are committed to maintaining strong communication with our scholarship winners. We will provide ongoing support and guidance throughout your educational journey, ensuring you have the resources and encouragement needed to succeed.
5. **Future Scholarship Opportunities:** Scholarship recipients who are admitted to an accredited physical therapy or athletic training program will have the chance to apply for additional scholarships of up to \$2,000. This further financial support aims to help you achieve your academic and professional aspirations.

Join us in shaping the future of healthcare by becoming a part of our scholarship program. Together, we can make a difference in the lives of patients and the community.
