

**MMS PAC Meeting Minutes
September 6, 2018**

In attendance: Ted Berryhill, Stacy Adado, Heather Miller, Da'Neese Wells, Lynn McCoy, Christie Surato, Shannon Price, Natalie Trotter Kelly Osborn, Shelly Bateman, Kelli Brumbaugh, Lee Brumbaugh

The meeting was called to order at 7:05 pm

Ted Berryhill welcomed everyone, thanked everyone for coming and shared what the PAC is all about.

Introductions were made, with several new people faces in attendance.

The volunteer positions within the PAC were discussed and the following people have agreed to step forward for the 18-19 school year:

Christie Surato will serve as the PAC Coordinator with assistance from Shannon Price. Christie noted that she would also be willing to take the minutes of each meeting.

6th Grade Parent Reps will be Kelly Brumbaugh and Kelly Osborne (will coordinate Lock-In and Spring P/T Conference Luncheon)

7th Grade Parent Rep will be Shannon Price (will coordinate Fall P/T conference Lock-In and assist with Mystic Lake chaperones)

8th Grade Parent Reps will be Natalie Trotter and Heather Miller (will coordinate 8th grade dance and End of Year party)

School Picture Day on Sept. 17 was discussed. Laurel Ritter had requested some parent help for that day. Stacy Adado provided Ted Berryhill with a list of parents that had agreed to help from an Open House signup sheet and a Facebook post.

It was requested by a MMS Teacher that a couple parents help at lunch on September 21 when the Kona Ice Truck will be at the MS. Shelly Bateman agreed to assist and we will post a FB post to try to recruit one additional volunteer.

We discussed having some subs available for our two crossing guards, Heather Miller and Shannon Price. Christie Surato is going to be able to help on Late Start Wednesday's and Brian Muschong will be available at some point too. Ted Berryhill also shared some updates regarding crosswalk work that the MS is working with the City of Mason on to make those areas even safer for students crossing. Ted Berryhill is going to order a couple more lighted vests so our subs can have them in their cars when they arrive.

Morning drop off was also discussed. There are two points of entry at the MS in the morning. The main door, which is where 7th and 8th graders can enter and the north end of the building where the door near the cafeteria is open. Once the first bell rings (at 7:25) students can also enter the north door by the gym.

(continued)

Dates were set for some annual events:

6th Grade Halloween Lock-In – Friday, October 26th from 7:00-10:00 pm

8th Grade Dance – Friday, March 8 with a snow day date of Friday, March 15, 6:30-9:00 pm

8th Grade End of Year Party – Friday, May 31st from 6-8 pm

The PAC provides birthday treats for the staff of MMS on a monthly basis. A signup sheet was passed around, additional volunteers are needed for this.

No one had any additional questions or concerns and the meeting adjourned at 8:03 pm.
