

FIRST GRADE

Welcome!

I am very excited to welcome you as a future student of Mrs. Boutwell's first grade class. This is my eighth year teaching first grade and it is my sixth year at North Aurelius Elementary School. I am thrilled to be teaching at such a wonderful school, and I am eager to meet you soon!

It is going to be a fantastic year of fun and learning in first grade. Together, we will become stronger readers and writers, and explore a wide-variety of math concepts. We will also spend a week at Impression 5 Science Center, discuss the importance of being healthy, and build our classroom community.

The following is a list of supplies that you may choose to bring to our Open House Night. Although North Aurelius provides all materials necessary for a successful learning experience, I realize that some students may want to bring their own supplies. If you would like to bring in supplies, the following are recommended. This is not a requirement, and I will have plenty of extra materials to share. If you do bring your own supplies, be sure to write your name on them!

- Crayons
- #2 pencils and erasers
- Backpack
- Child scissors
- White 3-Ring Binder (with your child's name inside) with a clear front pocket (for your child's First Grade Portfolio 😊)

In addition to the items listed above, we would greatly appreciate donations of any of the following to be used by all students:

I am very much looking forward to meeting with you at our Open House. I welcome any and all forms of communication. Please feel free to contact me at any time. I am looking forward to a wonderful school year!

Sincerely,

Mrs. Sarah Boutwell
