

MEET THE TEACHER!

Mrs.
VanFleet

A Little About Me:

Hello! My Name is Mrs. VanFleet. I am so excited to meet you and your family! First let me tell you a little about myself. I live in Mason with my husband, Mr. VanFleet, our daughter, Dakota VanFleet. We live on a farm and have 300 chickens, 5 pigs, 2 dogs and 3 cats. I enjoy traveling & spending time with friends and family. I love to read, scrapbook, go fishing and make craft projects. I graduated Suma Cum Laude from Central Michigan University with a major in Education and minors in Reading Literacy and Integrated Science. I am honored to be your First Grade Teacher for the 2017-2018 school year! This will be my 3rd year teaching and I am excited to make this my best year yet!

Classroom Open house:

I encourage you to attend our school/classroom open house on Thursday August 24th from 6-7pm. This will be an opportunity to visit and tour your first grade classroom prior to the first day of school and help you prepare for the first day of school. You may bring your labeled class supplies and donations and put them in your desk. During this time your parents will help you find your way around our room including your lunch choice, coat hook, job board, book box, birthday board and mailbox. We will also be taking our picture together! Can't wait to meet you and your family!

Things we will learn in First Grade:

It is going to be a fantastic year of fun and learning in first grade. Together, we will become stronger readers and writers, and explore a wide-variety of math and science concepts. We will also spend a week at Impression 5 Science Center, discuss the importance of being healthy, and build our classroom community.

You can also send a note in your child's Bee Folder!

Class Supplies:

The following is a list of supplies that you may choose to bring to Open House Night. Although North Aurelius provides all materials necessary for a successful learning experience; we realize that some students may want to bring their own supplies. This is not a requirement, and I will have plenty of extra materials to share. If you do bring your own supplies, be sure to write your name on them.

- Backpack
- Crayola crayons (I have found these work the best)
- Crayola markers or colored pencils (optional)
- Scissors
- No. 2 Pencils
- Pencil Sharpener (with self contained holder for pencil shavings) (optional)
- Block and Pencil Top Erasers (optional)
- Elmer's Glue (small bottle)
- Elmer's Glue sticks (these seem to work the best)
- Pencil box to store supplies
- Thick Black Expo Dry Erase Marker(s) (we will use this with our individual white boards that I will provide)
- Thin Yellow Highlighter

It would "bee" kind if you would like to supply some of the following items for all students to use:

- Kleenex
- Disinfecting Wipes
- Hand Sanitizer
- Zip Lock Bags (all sizes)
- Extra Snack (graham crackers, saltines etc.)
- Band Aids
- Paper Towels

Thank You!!
