

Dear Fourth Graders:

Welcome to Fourth Grade! We hope that you will have an exciting, fun and relaxing summer break! We can't wait to hear about all your adventures, and we can't wait to share ours with you as well.

We are looking forward to seeing you on August 27, 2018 for a half day of school. Remember, North Aurelius students are safe, responsible and respectful. We will work on those things every day! We work hard, but have fun while learning.

As a fourth grader you will participate in many fun learning activities. Some of the highlights are our field trips. We will take a trip to a nature center to look at animal Eco Systems and the organization of living things in the fall. In November/December, we will attend the Big History Lesson at the Michigan Historical Museum and in May we will take our math knowledge to the Meridian Mall.

Although we will provide all the school supplies you will need in the classroom, if you would like your own supplies to keep in your desk, here are some things you might want to bring from home:

- Pencils
- Pencil Top Erasers
- Pencil Grips
- Water Bottle

(A more detailed, teacher specific list will be coming in August when teacher assignments are finalized.)

In addition, any of the following donations for the entire class to use are appreciated as well:

- Band-Aids
- Tissue
- Ziploc baggies
- Dry Erase Markers
- Clorox/Lysol wipes
- Paper towels
- Napkins
- Glue Sticks

We will see you the first day of school and we hope to see you at the open house, so watch for the announcement of that date as it hasn't been set yet. Don't forget to keep reading and writing this summer!

HAVE A GREAT SUMMER!

Mrs. Bartolacci, Mrs. Dunsmore and Mrs. Meeuwenberg
