

Hello Third Grade Families!

The three of us are so excited to learn alongside your children this year. To help us maximize our efficiency each day, we request the following school supplies:

- Dixon Ticonderoga #2 Pencils (These simply are the best pencils. They sharpen well and stay sharpened longer.)
- Pencil cap erasers
- Tissues (2 boxes per student)
- Expo Dry Erase Markers (Black is preferred-you can see them best against whiteboards. Students will go through at least 5 each this year.)

{We share everything, things are resupplied as needed! Names don't need to be written on items.}

The below lists are teacher specific.

**Mrs. Reister:**

Highlighters  
Markers (fat and thin)  
Glue sticks

**Mrs. Strachan:**

Headphones (optional, if your child would like to bring their own)  
1 two-pocket folder to take home each day  
1/2" binder with a sleeve on the cover to insert a sheet of paper  
Pencil Box to keep all utensils and sharpeners organized

**Mrs. Dornbush:**

Headphones (optional, if your child would like to bring their own)  
4 two-pocket folders (3 are for subjects and 1 is for take home)  
1/2" binder with a sleeve on the cover to insert a sheet of paper  
Pencil Box to keep all utensils and sharpeners organized (optional)

**Classroom Wish Lists:**

These are by no means a requirement. If you are able, we would gratefully accept them:

- Wipes (Like Clorox, Lysol, Meijer, even baby wipes, etc...)
- Extra snacks such as Cheerios, pretzels, Goldfish, graham crackers, etc. Students are asked to bring their own snack daily, but snacks get forgotten and we like to be prepared!
- Paper towel
- Hand soap
- Hand sanitizer
- Baggies- gallon size or sandwich size
- Sticky notes

Thank you all so much! We will see you at Open House on Thursday, August 23, 6:30-7:30.
