Welcome & Review of Norms

- Start and end on meetings on time with all members coming prepared.
- Meetings to have a firm plan and targeted outcome.
- Active and equal building level participation to ensure all levels have a voice.
- Honest conversations that respect all ideas, remain on topic, and that have positive intentions.
- Research and data is used to drive the meetings with discussions happening in the meetings.

Meeting Goals

- Committee members will have the opportunity to review K-12 materials from the same publisher, review research, and collaborate with the team about the strengths and weaknesses.
- By the end of the meeting, the team will come to consensus about the strengths and weaknesses for each guiding principle for the programs reviewed.

Rubric (3 pg. or 8 pg.) and Reviews/Research (use for CCSS and instruction)
