PUBLIC SCHOOLS

Welcome to the Harvey Education Center at Mason Public Schools!

Thank you for enrolling your child in our Preschool and/or Early Learning Programs. I am proud to serve as the new Early Childhood Principal at Harvey Education Center and facilitate a great first-school experience for your family. I have worked in Early Childhood Education for over 15 years, most recently serving as a kindergarten and early elementary teacher. Providing exemplary early schooling, and partnering with families is my mission for all students entering Mason Public Schools. Educating children is a privilege and responsibility that I truly believe is the most important job in the world.

Working together with a skilled and passionate staff, we are looking forward to providing your student with quality and hands-on early learning experiences, enriching, engaging activities, and physical activity with recess and structured play time. We believe in supporting the academic, social and emotional growth of the whole child through the use of multiple curricular and play based interactions. Early Childhood Education is the foundation for later school success and we are committed to laying a solid foundation!

Our goal is to connect with students and families through quality conversations, an open door policy and frequent communication. Feel free to visit and volunteer (forms will be available at Open House), communicate with school staff, call or email me as you see fit.

Due to the exciting H.E.C. construction and renovation project, I ask for your patience and flexibility to ensure the safety and security of all staff and students during our extensive remodeling project. The Child Development Services Office has been relocated to front (Cedar St.) entrance of the building. **For the 2018-2019 school year, ALL STUDENTS and visitors MUST ENTER AND EXIT through the main doors (Cedar St.) and/or side lobby doors (Ash. St.) only-** Classrooms with exterior doors will be locked, and all visitors must report to the office. Thank you you keeping our staff and students secure as we build and grow!

Plan to review the Parent Handbook in advance and help familiarize your child with the program by encouraging positive behaviors and following school expectations. Students are expected to be kind, safe and responsible during their time at Harvey Education Center and follow the Mason Public School district's Code of Conduct.
