

Dear Students and Families,

Hi! Welcome to First Grade! We are excited to be working with you this fall. We will be reading, writing, and learning many new things together, along with making new friends. We look forward to a year of partnership, growth, and fun.

Below you will find Our First Grade Supply List. Please have your child bring their school supplies to our school Open House or on the First Day of School.

We are very excited to begin a wonderful First Grade Adventure with you next year!

Sincerely,

Mrs. McElmurry, Mrs. Woodruff, & Mrs. Glover
